New Business: Chris offered to go thru the old signs, to see what has been replaced, and what needs to be replaced. Upcoming dates to save: Sept 18th, Historic Society will be hosting a walking tour of downtown Stafford. Oct 16th, Historic Society will be hosting a tour of the recently renovated Old Cedar Bridge Tavern. Oct 5th the Dept. of Corrections will be mowing @ the Beach Ave Cemetery.

Old Business: continue to work on the documentation for the list.

Plans: Back Road Development, LLC – For Shore Weed Control:
HPC has the following comments

1. Back Road has been in existence for over 100 years, with access to exit via Grassy Hollow Road, Bolton Lane, or McKinley Avenue. This plan shows just one exit.
2. Emergency Vehicles – the only entrance is also the only exit.
3. Consider a buffer of trees or other natural vegetation along the property line adjacent to the Greenwood Cemetery.

Miscellaneous: Larry shared a little history of the area of Back Road & Bolton Lane, including where the water lines going. Also a discussion on the Cedar Industry in our area, and how many of the homes on our list were built with local, milled cedar.

Motion to adjourn: motion made by Larry/ 2nd by Chris. All in favor.

Meeting adjourned: 8:11

Respectfully submitted, Diane Brown, Secretary
