

Stafford Township Adopt-A-Tree

Thank you for your interest in the Adopt-Tree program. A tree is a gift of life and beauty that will bloom with brilliance each and every year and can be enjoyed for generations to come.

There are many reasons to donate a tree:

*Ornamental flowering trees will announce springs arrival with a burst of delicate flowers.

*In the summer, trees will furnish masses of foliage that will shade and cool pedestrians.

*All year-round trees frame our houses and storefronts producing a sense of hospitality and friendliness.

Ornamental flowering trees are a prime candidate for planting because of their beauty and durability.

The Heart of the Tree

What does he plant who plants a tree?

He plants a friend of sun and sky;

He plants the flag of breezes free;

The shaft of beauty, towering high;

He plants a home to heaven anigh;

For song and mother-croon of bird

In hushed and happy twilight heard-

The treble of heaven's harmony-

These things he plants who plants a tree.
